

## Antigua

---

**Discover the Caribbean's hidden gem – Antigua, where endless sunshine awaits!**

Antigua, a gorgeous Caribbean Island with an abundance of natural landscapes, both on land and water! The crystal-clear waters holding vibrant, colourful reefs home to a range of sea life and on land rich, lush rainforests. This natural haven is an idyllic, peaceful, holiday destination.

### Health and Fitness Travel Insider

'Step into paradise on the charming island of Antigua, where island life is blissfully slow, and the sunsets are always breath-taking.'

Paul Joseph, Founder

## Travel Logistics

### Passport

Before flying make sure to check that your passport has plenty of time before it expires. Your passport must be machine readable, have two blank pages and be valid for at least 90 days following your departure date from Antigua.

Your passport will need to be valid for at least 6 months from your day of arrival in Antigua. However, we always recommend leaving at least 6 months validity on your passport.

For more information, follow this link: <https://www.gov.uk/foreign-travel-advice/antigua-and-barbuda/entry-requirements>

### Visa

It is important to check before your holiday whether you need a Visa to fly to your chosen destination.

**Less than 6 months:** Citizens of the UK entering Antigua do not need a visa for visits up to 6 months stay – 180 days. Most other nationalities can also do the same. To see if you are eligible for visa free entry on arrival or for a tourist and transit visa on arrival check here:

<https://www.gov.uk/foreign-travel-advice/antigua-and-barbuda/entry-requirements>

**More than 6 months:** If you choose to stay more than 6 months you should apply and pay for an extension stay through the Antigua Immigration Department.

You can apply for your travel visa here: <https://immigration.gov.ag/visa-services/visa-on-arrival/>

### Flights

**From the UK:** please check your travel documentation for your flight details. You will need your flight, booking and transfer vouchers and passport with you. Flights to Antigua from the UK don't necessarily require a transfer and the total flight duration is around 8 - 9 hours. The typical baggage allowance is between 20 – 23 kilograms for economy but we advise that you check with your airline's direct website to verify this, as these can change without notice.

**From other countries:** please enquire for more details.

We also recommend that you keep moving about during the flight to relieve cramped muscles and ensure you arrive feeling healthy. Walking up and down the aisle when the seatbelt sign is off and flexing and stretching your legs when sitting will encourage blood flow around the body and limber up swollen ankles or feet. Here are some tips to [stay healthy whilst travelling](#) and [on long haul flights](#).

# Health & Fitness TRAVEL

## Location

Time Difference: GMT -4

Capital City: Saint John's

Currency: East Caribbean Dollar

It might be useful to have a map of the city, or apps such as [maps.me](https://www.maps.me) or Google Maps with a download option, to have a general idea of where you are going. If you are to use a taxi, always insist that they put it on the meter. Always keep your passport on your person and in a safe place.

To reduce the effects of jet lag as much as possible, try to adapt to the local time zone as best you can. If you arrive during the day, going for a stroll outside will help you adapt more easily, and the natural light will encourage your body to acclimatise. Likewise, if you arrive in the evening or night, adopt the local bedtime, and try to go to sleep.

## Airport

You will be flying into **V.C. Bird International Airport (ANU)**, Antigua. After going through passport control and collecting your luggage, you will then need to make your way to your transfer meeting place, details of which can be found on your transfer or booking voucher.

Porters offering to carry your bags will expect a tip. If this is something you do not want, just politely (and firmly if necessary) say no. Taxi drivers are also likely to offer their services and can be quite persistent. It is best to approach this offer in the same manner.

## Travel Insurance

We recommend shopping around on an insurance comparison website to ensure you get the right product and a competitive quote. It is worth considering annual multi-trip insurance if you are going to make several trips a year.

It is also important to consider repatriation insurance in the off chance that you suffer illness or injury and need help to be brought back to your home country.

## Health and Vaccinations

Immunisation and other preventative requirements will depend on your general health, destination travelled to and activities whilst there. We advise that you consult with your GP and/or book a specialist travel consultation at least two months before your trip.

Information on immunisation, medication and other health risks can be found at:

<https://www.fitfortravel.nhs.uk/destinations/caribbean/antigua-and-barbuda>

The standard of local medical care can be poor, and some medical tests can't be done reliably. Good medical care can be very expensive and in remote areas attention for serious injuries or illness is likely to be unavailable. You may require expensive medical evacuation costing up to tens of thousands of pounds. Make sure you have adequate travel health insurance and accessible funds to cover the cost of any medical treatment abroad and repatriation.

## Language

The majority of people in Antigua speak English and only a small number of people are estimated to speak Spanish. Here are some useful phrases in Spanish:

Basics		Food and Drink	
Hello	Hola	Could I have...?	¿Podría darme...?
How are you?	¿Cómo estás?	Water	Agua
